**MAY – OCTOBER 1ST & 3RD SATURDAY 8:00 AM – NOON

The Town of Gibraltar intends the drop off site to be used for recyclables generated by Gibraltar residents and businesses only. If you are from a different Township we ask that you use your local site. The attendant at this site may require proof of residency before allowing drop-off.

You may drop off your recycling at GOING GARBAGE & RECYCLING AT 10564 OLD STAGE ROAD IN SISTER BAY during the following times:

**MONDAY, TUESDAY, THURSDAY, FRIDAY 9:00 AM – 3:00 PM
SATURDAY 8:00 AM – 12:00 PM**

For information about where your municipal site is and when it is open, call GOING GARBAGE & RECYCLING INC at (920) 854-2114. The Gibraltar site accepts material in the following categories:

PAPER/CARDBOARD

This includes: newspaper, magazines, office paper, container board, corrugated cardboard, catalogs, phone books, junk mail etc. All paper products must be **FLATTENED**, dry and free of food debris. No restroom waste paper products of any kind are accepted.

CO-MINGLED CONTAINERS

This includes: unflattened and unbroken food, beverage, and personal care containers made out of glass, aluminum, tin and plastic. Plastic bottles must be #1 - #7. The only plastic we do not take at the Gibraltar site is Styrofoam, plastic bags, plastic packaging, and rigid plastic (toy/thicker plastic). However, they do recycle plastic bags, packaging and rigid plastic at the Sister Bay site. This is due to the nature of the truck not being able to crush the large plastic. Also, plastic bags and packaging are sorted separate from the plastic, aluminum, tin, and glass container. All items must be rinsed clean of food or liquids, and all caps or lids must be removed.

Material left on the ground at the drop off site is considered litter and may be prosecuted as such. Under no circumstances is garbage (household or other) or non-recyclable material accepted. Containers may be removed from the site during closed hours.
