## Fish Creek's Yacht Races

**A sudden shot from the cannon and they are off to the races. . . . sailboat races that is. An evening of photos, conversation, and "captains" discussing the history of the Fish Creek Yacht Club. Listen to the stories of coming around the " mark" or "losing air" and imagine "Carla" crossing the finish line with "Ellisar", and "Windbird" not far behind.**

Light Refreshments will be served & donations welcome.
