

## Transport Carefully!

Household hazardous waste items have warning labels on them for a reason. Before putting them in your vehicle, please take the following precautions:

- Keep products in their original containers when possible
- Make sure products are properly sealed to prevent leaks and spills
- If a container is leaking, put it into a secondary leak-proof container
- Do NOT mix products together - dangerous reactions can occur when some chemicals are mixed
- Pack containers in sturdy boxes in the trunk of your vehicle, away from the driver, passengers and pets
- Cardboard boxes work well, but containers (other than gasoline cans) and boxes cannot be returned to you
- Please do NOT put items in plastic bags
- If a product does not have the original label, label it yourself if you are certain of the contents—this will help us ensure its proper disposal
- Always store products in a secure place, away from children, pets, sparks and flames

If you have further questions or concerns,

8:00-10:00 a.m.

Door County Highway Department  
1001 S. Duluth Ave, Sturgeon Bay, WI

Limited funding is available  
First come—first served

# What Items Can You Bring?

Common household products like lawn and garden pesticides, automotive fluids, oil based paints and other potentially harmful chemicals can pose a significant threat to the environment if not disposed of properly.

Bring them to the Door County Household Hazardous Waste Program Collection Event. We will ensure they are properly disposed of in an environmentally safe manner. This FREE program is sponsored by Door County. Simply follow the guidelines in this brochure.

## The following items will be accepted at the collection site:

### Kitchen/Bathroom:

- Aerosol Cans
- Bug Sprays
- Floor Care Products
- Metal Polish
- Furniture Polish
- Oven Cleaners
- Drain Cleaners
- Bathroom Cleaners
- Tile Cleaners
- Disinfectants
- Batteries (non-automotive)

### Garage/Workshop

- Old Gasoline
- Gasoline/Oil Mixture
- Brake Fluid
- Auto Repair Products
- Transmission Fluid
- Cleaners
- Oil Based Paints
- Paint Thinner
- Paint Stripper
- Varnish
- Antifreeze

### Garden/Miscellaneous

- Chemical Fertilizer
- Fungicides
- Herbicides
- Rat Poison
- Artists Paints
- Fiberglass Epoxy
- Gun Cleaning Solvents
- Moth Balls
- Pool Chemicals
- Photographic Chemicals
- Fluorescent Bulbs (limit 10 bulbs per resident)

Businesses who classify as Very Small Quantity Generator (VSQG) can participate in this program, at their own cost, and must make prior arrangements with Chris Bahlow by calling 715-298-2623.

## Bring any products that say:

- Caution
- Toxic
- Corrosive
- Pesticide
- Combustible
- Poison
- Flammable
- Warning
- Danger
- Reactive

## You CANNOT bring:

- Latex Paint\*
- Radioactives
- Explosives
- Biologicals
- Tires
- Automobile, Boat or ATV Batteries
- Medical Prescriptions
- Propane Cylinders
- Ammunition
- Commercial Waste
- Computer/Electronics
- Appliances
- Motor Oils

## Latex Paint will NOT be accepted at this collection event.

Latex paint is not a hazardous material. Follow the instructions below to properly dispose of latex paint:

- Open the Can
- Let the paint dry out or solidify the paint with floor dry, cat litter or sawdust
- Dispose of the can and solidified paint with your regular trash—please leave the lids off.
